Important Notice for Dog Owners

Following the installation of new play equipment at the Recreation Ground, the Parks and Gardens Committee have had to reconsider whether they should allow dogs on leads in the Recreation Ground. This is following a number of complaints received from users as well as staff regarding a few owners allowing dogs off leads and of dog waste not being removed.

We realise that most dog owners are responsible and do respect the policies in place. No decision has yet been made but we would like to advise that if those who ignore the signs and continue to let their dogs off leads or allow their dogs to foul in

the recreation ground the council will have no alternative but to consider banning dogs from the rec. completely. The area would then come under the Dogs Public Space Protection Order where dog owners could be fined for allowing dogs in the rec. For further details on the PSPO please visit <https://www.northdevon.gov.uk/environment/dogs-in-north-devon/dog-controls>

Of course we don't want this to be the case and would like everyone to be able to continue to cut through the rec. when walking their dog on a lead. Please pass this information on to other dog owners. Thank you for your cooperation.
