## Dogs in the Recreation Ground Consultation

Do you or your children use the recreation ground for sport and leisure? Over the summer we have been running a consultation on whether we should continue allowing dogs on leads in the recreation ground. This is mainly due to health and safety concerns raised by some residents and users. There is still time to respond to this easy consultation which runs until **Friday 5th September**. If you have a view on this please email [info@brauntonparishcouncil.gov.uk](mailto:info@brauntonparishcouncil.gov.uk)

The question is should we:

- i) **YES ban dogs outright (enforceable)**
- ii) **NO continue to allow dogs to be walked through the recreation ground on a lead.**

Thanks for your feedback.

## New Play Equipment for Mowstead Play Park

Braunton Parish Council are excited to announce the installation of new play equipment at Mowstead play area on Saunton Park. Following a consultation with local school children, this multiplay unit from Proludic was chosen as the clear winner. The Speed Gyro (pictured below) will also be installed to replace the current Sputnik roundabout and surfacing which is in poor condition. The new equipment will hopefully be ready to be installed in the Autumn.
